by Donald C. Little, Professor of Tuba, College of Music
University of North Texas, dlittle@music.unt.edu

(continued on next page)

Play the triplets somewhat detached but not short. Play a consistent mf volume and do not crescendo as you ascend.

Emphasize the first note at the beginning of each exercise.

(same dynamic throughout)
Rest adequately before continuing these gradually ascending sequences.

Continue with these sequences only as far as you are able to do so comfortably.
